With Joy

I'm holding Joy, Pastor Abram and Mme Jeanette's 2 year old daughter. I thought this picture was fitting because my heart is also filled with joy over the incredible testimonies of this past month.

We're at the Enrich conference where 75 pastors and youth ministry leaders gathered to become better equipped to reach youth – our next generation leaders, the future of this nation.

Pastor Jodie Stehouwer from Resurrection Life Church Mid-Michigan and Mike Benson from the Conquerors International Strength Team were our guest speakers, and we're thankful for the wisdom, experience, and passion they shared.

God does not qualify us through age, knowledge or experience. He looks at our hearts. So as we model, equip, and multiply godly leaders, our goal is to change hearts and hence change lives. To develop hearts that love God, his Word, and his plan. To love what he loves. To love who he loves.

So it is with great joy that I give thanks for an incredible month. And it is with great joy that I also give thanks for you because you help to make this all possible.

Thank you!

Be Blessed, Jill

Rejoicing

As I write this newsletter we are still recovering from our action-packed weeks of youth rallies and assemblies. We were blessed by a team from June's home church and members from the Conquerors International Strength Team. With passion and gifts for reaching today's youth, this group had a significant impact in Qwa Qwa.

They captured our attention through amazing feats of strength, music, and break-dancing. Then they captured minds with powerful testimonies of hard lessons learned. And as all this was happening, the Lord captured our hearts, and more than 1000 youth made decisions for Christ. Hundreds more were healed and delivered.

Words can't even describe what it's like to be surrounded by hundreds of students cheering at the top of their lungs! And I'm sure it pales in comparison to the Lord rejoicing over those who have committed their lives to him!

Please pray for these new believers, that they stay rooted and continue to grow in their faith.

Celebrating

Also exciting is that we've just completed our Foundations for Christian Growth - a rigorous course that provides certification to graduating students.

During these past 13 weeks, I have loved seeing the incredible growth in each student. As each came with different expectations, the Lord met them and then some!

Caroline came seeking a Savior she knew little about, and left a believer in Christ. Sibeko desired deeper knowledge of God's Word, and left with the confidence to preach to the lost. John wanted a fresh vision, God's vision for his life, and left with clarity and focus.

"Some things that weren't so clear about my life became crystal clear and my faith went to another level. I saw God's presence everywhere. I must say the classes have been an eye opener. Thank you and be blessed." - Ntoeng John Mofokeng

Please join us in celebrating our FCG graduates and the divine purpose and plan that God has for their lives.
